RESOLUTIONS OF RESPECT

At a meeting of the bar of this city held in the courthouse at ten o'clock on the morning of August 7, 1920, in respect to the memory of the late Luther H. Thompson, esq., James R. Caton, esq., was selected as chairman and pursuant to the wishes of the assembly a committee, composed of Messrs. Howard W. Smith, Gardner L. Boothe, Louis N. Duffey and Albert V. Bryan, was appointed to draw an appropriate expression of the esteem in which the deceased was held. The following resolutions were offered and adopted:

Resolved, That the members of the bar have heard with sincere sorrow and profound regret of the death of Luther H. Thompson, esq., whom they highly respected, personally and officially, and whose acquaintance and association they prized.

That as a man he was upright, honest in all dealings with his fellowmen, altruistic in his purposes, and steadfast in his religious beliefs; as an editor he was able, abreast of the times and cosmopolitan in thought; as a judge he was impartial; and as a citizen he was conscientious.

That in his decease the bar of Alexandria is but a sharer, as the loss is felt by the city and its citizens.

That a copy of these resolutions be sent to the family of the deceased and also be published in the Alexandria Gazette.

MEMORY RESTORED AFTER 25 YEARS, IS AN ENOCH ARDEN

Terre Haute, Ind., August 9.—Alexander Bell's memory has been restored to him after a lapse of twenty-five years. The man formerly lived in Tell City, Ind. A slight operation restored his memory, and out in Haskell, Okla., the quiet routine of Mrs. A. R. Barr's life has been interrupted. She finds herself the wife of two men.

Twenty-five years ago Alexander Bell left Tell City, Ind., to visit his brother Ben Bell at Chattanooga, Tenn. Reaching Chattanooga, he found his brother had moved to his country home, so the visitor set out through the woods to seek him.

Mr. Bell can remember nothing of his life for the last twenty-five years. Following a spinal adjustment, his memory returned and he began a search for his family, which resulted in the finding of a son, Andrew Bell. Because of poor health, Mr. Bell has not been told of his wife's second marriage.

POLICE SWOOP DOWN ON COMMUNIST RALLY

Chicago, Aug. 9.—Continuing their raids of last week on Bolshevik agitators, Chicago detectives today swooped down upon a crowd of 1,000 members and followers of the Communist Labor party gathered in a grove near Maywood, Ill. to protest the recent conviction of William Bross Lloyd and 19 other chieftains of the organization.

Four men, Alex Greschwick, Geo. Chmel, Gabriel Sdearoduke and William Corco, ringleaders in the meeting, were arrested and will be turned over to the Federal authorities for deportation tomorrow.

The arrival of the police plunged the crowd into panic. Several women fainted and others were knocked down in the rush to escape. A large amount of radical literature including a number of the "Red cards" signifying membership in the party, were taken by the officers.

FINDS FOUR SHEKEL NOTE FOUR THOUSAND YEARS OLD.

Philadelphia, Aug. 9.—An unpaid note for four shekels in silver, bearing 40 per cent annual interest for nearly 4,000 years, recently was found among the clay tablets at the University of Pennsylvania Museum by Dr. Leon Legrain. The note was given by a man named Bur Mama to Il Sinnutum, in October, 1962 B. C., the "year in which King Rim-Sin occupied the town of Dur-Damigilisha."

There were four witnesses to the note. Instead of signatures the witnesses placed their seals on the document and were not liable for payment, unless it was shown they knew the character of Bur-Mama was bad when they swore it was good.

Although comparisons are difficult, Dr. Legrain said, a shekel of silver at the time of the note was made was equal to about $100 at the present time.

SABBATH SCHOOLS ATHLETIC LEAGUE

Inter-Association Organized Here Yesteroay Afternoon

OFFICERS ARE CHOSEN

Track Meet Will be Held at Fairfax August 27, 28, 29—Indoor Athletic Meet Planned for Winter

An Inter-Association Sunday School Athletic League was organized at the Westminster Building yesterday afternoon by the young people of the intermediate division of the Sunday Schools of Alexandria, Arlington and Fairfax counties.

The meeting was called by Mrs. F. T. Israel, of Fairfax, chairman of this division. A splendid representative group was present from all associations represented, many of them being the best athletes of the district, who had participated in the recent track meet held at Fairfax.

K. E. Wallace, Secretary of the Alexandria Y. M. C. A., and chairman of the games committee of the district, was asked to take the chair and the folowing organization was effected: President, H. W. O'Meara, Second Presbyterian Church, Alexandria; Vice President, W. A. Sherman, Jr., C. of B., Vienna, and Secretary, Treasurer, Miss E. K. Richards, M. E. Church South, Del Ray.

The president, Mr. O'Meara, is a University of Virginia athlete and keeps in constant training and has the respect of the young people of the district and his choice was unanimous for the first president of the organization.

The executive committee will be composed of the officers and Mr. Wallace and the first work of the league will be to conduct the track meet to be held in conjunction with the state conference of young people of the Sunday Schools of Virginia to be held at Fairfax the 27th, 28th and 29th of this month.

The track meet will be held Saturday afternoon preceeding a state banquet which will be held in the evening, and it is thought that the affair will bring together some of the best athletes of the state. It is also proposed to hold an indoor athletic meet during the winter holidays which wil be largely a social affair and which will probably be held in Alexandria.

SPORTS

The Cardinal Athletic Club baseball team journeyed to Clarendon, Va., yesterday and showed the native sons and daughters of that thriving town how to play baseball by trimming the Clarendon nine by the following score: Cardinals, 10; Clarendons, 8 (but the latter score should have been 4 instead of 8, but bad decisions caused the run-up score)

Jimmy Alexander pitched great ball for the Cardinals for eight innings, striking out five and allowing the Clarendon sluggers only nine hits.

"Speedking" Jones pitched the ninth inning and tamed the county lads like Mary did her lamb many years ago.

"Teddy" Schafer the invincible catcher, had the rival players on the lookout at all times, and the tagging of a runner at the plate with a great throw from center field by Pattie was one of the many features of the game. Every player on the Cardinals played sensational baseball and so brilliant were the many feats performed during the game that it is impossible to give individual praise, nevertheless, the following named star players have the honor of winning the first link of the championship series for Northern Virginia: "Doug" Merchant, first base; "Beau" Hodges, second base; McCann, third base; Tetreault, shortstop; George Allensworth and Neidfeldt, right field; Pattie, late Babe Ruth star of the New York State League, center field; Frank Owens and Sammy Sampson, left field; Joe Owens, coach on bases, and William Entwisle, umpire on the bases and field for the Cardinals.

The Clarendons used three pitchers but they all looked alike to the Cardinal "ball-busters." Von Herbulus was knocked out of the box in the fourth inning; Hudson, the Navy team, was bumped in the eighth inning; Stewart finished the game. The Cardinals made sixteen hits off the trio. Tillett, Bolen, Beard and Von Herbulus, were the heavy hitters for the Clarendons, while Miller, pitcher, was the best lad to perform.

Next Sunday, August 15, the Clarendons play a return game in Alexandria, and a battle royal is promised the fans when these teams meet, in their second clash for the Northern Virginia baseball championship.

The Cardinals now have meetings every Friday evening at their headquarters 1322 King Street.

The Cardinals have now won twenty one straight games and have not been defeated during the 1920 season.

Yesterday the Dreadnoughts defeated the Linworth Athletic Club in a game that was featured by the locals heavy hitting.

To Singleton must go the credit for the victory, his work on the mound giving him the strikeout record for the local club this year, sending 18 men back to the bench by this method. Most pitchers would stop at a pitching record but not Singleton, with two men on in the second inning he drove the ball over the fence in deep left field for a home run.

Dreifus and Purdy also got into the limelight. Dreifus getting a homer, triple and single out of five trips to the plate and Purdy getting a triple and two singles out of five times up. his fielding being splendid also in the fourth inning he went back of third to get a hard hit ground ball with his bare hand saving at least one tally.

Dreifus' work at first was as usual spectacular, although he came near getting Singleton into trouble when he raced over in front of Deavers to get a grounder, leaving his bag which should not have registered.

Wall, behind the bat for the locals, caught the brainiest game of ball that has been seen this year; runners stuck close to the cushion after he picked one man off second on a snap throw to Deavers. There was not one stolen base registered in the game, his pegging to the bags being perfect.

J. McCoy the Linworth left fielder played a remarkable game for the losers, his one hand catch robbing Deavers of a triple and a running catch of a line drive were splendid.

Linworth used three pitchers to stem the tide but they went from bad to worse. McConnell the pitcher that held the Knickerbockers to three runs was knocked out of the box in the sixth inning.

SUFFS BATTLE FOR TENNESSEE

Both Sides Are Working Hard to Capture Doubtful Legislators

RESULT IS IN DOUBT

Admission by Suffragists of Their Inability to Obtain Sufficient Pledges —Federal Excitement Prevails

Nashville, Tenn., Aug. 9.—A special session of the Tennessee Legislature met at noon today to consider the Federal suffrage amendment, finds both suffragists and antisuffragists expresing confidence in the outcome but with the result apparently in doubt.

The suffragists admit that they have not been able to obtain sufficient pledges to assure a constitutional majority for the amendment in both houses, but claim a number of legislators who have not taken an open stand will be found favorable to ratification.

The poll being kept by Miss Sue White, Tennessee chairman of the National Woman's Party has remained virtually unchanged for the several days. It shows written pledges from 12 Senators and 42 members of the House.

These are about evenly proportioned between Democrats and Republicans. The balance of power rests apparently in the hands of a group of legislators who have been unable to reconcile party pressure with personal convictions.

Senator George Arnold Frick, ambassador extraordinary of the Maryland Legislature, arrived in Nashville last night to help in the antiratification fight.

Senator Frick was traveling alone as Delegate Jones the other Democratic member of the special committee was forced to postpone his trip. He said, however, that both Delegate Jones and a Republican member of the committee, probably Delegate William Fisher, were expecting to come.

The Maryland solon received a cordial greeting from Miss Mary L. Galbreth, president of the National Antisuffrage Association; Mrs. William E. P. Wyse, acting president of the Maryland branch of the association, and a score of other prominent women at antiratification headquarters.

The chances for beating ratification, as outlined to him, look very favorable," Senator Frick said.

The doubt and uncertairty is producing feverish excitement among hundreds of women of both camps gathered here for the session. Hotel lobbies and other public places are crowded with groups of men and women in earnest conversation.

WINS $300 IN CRAP GAME

Now Max Says He is Sick Because He Loses Even When he Thinks he Wins

Chicago, Aug. 6.—Max Kulensky is a good loser, but, unfortunately, he has been mixing with men who are not. Max had been losing steadily in a crap game for several nights, but he took his losses in good part, and always came back the next night with more money.

Tuesday night the bones rolled his way and he won $300. With $600 more of his own he started blithely on his way with $900 in his pockets. He felt so good over the evening's work that he ordered up a taxicab to take him home.

He had not proceeded far, however, until another taxicab overtook him and five armed men jumped out and stopped his chauffeur. Then they frisked Max of his entire roll.

"They were the same fellows I beat in the crap game," Max told the police. "It makes me sick—the whole business. While I lose it's all right. When I win—well, I lose anyhow, so what's the use?"

SPURN OFFER OF GREAT BRITAIN

Looks Like Allies Will Have To Make War On Russia

WARSAW REDS' GOAL

Poles Abandon Fortifications—Hotels Deserted — Conference Adjourns—Russians Advances

Paris, Aug. 9.—The Soviets have refused the proposal of Premier Lloyd George, of Great Britain, for a truce on the Russo-Polish front, the French Foreign Office announced last night. In this event the alternatives presented to the allies seem to be either war against Russia or a complete surrender of the policy they have laid down for the Soviets.

Berlin, Aug. 9.—It is reported here that 150,000 Hungarians under French command may move against the Russians if London peace negotiations fail.

Warsaw, Aug. 9.—The entire line of the Bug River has been abandoned by the Polish armies. They are temporarily occupying the Pultusk, Kamienzyl, Siedline line, which will be abandened for the outer fortifications of the city of Warsaw if the occasion rises.

The government has proclaimed a premise of grants of land to the soldiers, who distinguish themselves in the defense against the Russians. Half of the foreign missions and consulates are leaving on a special train, which will also carry $35,000,000 worth of securities from the banks.

The hotels are deserted. The governor has exhorted the city to remain calm. Death is threatened as punishment for any who make attempts against the public security.

London, Aug. 9.—The Hythe conference, the main participants in which were Premier Lloyd George, of Great Britain, and M. Millerand, of France, went on the rocks today and peace in Europe, which appeared near only 24 hours ago, now is still further than ever from realization.

The Hythe conference broke up this evening and it was officially announced that Soviet Russia had refused to accept Premier Lloyd George's latest proffer of ten days' truce in the Russian Polish war.

"The situation is more serious," declared Lord Riddell, one of the conferees, when the gathering dispersed.

However, the allies have given Europe another brief respite. Soviet Russia has 48 hours more in which to come to terms. At the expiration of that period, if there is no acceptable word from Moscow, the blockade of Russia will be reimposed. Such a step, it was announced two days ago was in contemplation at White Hall, but published reports that Premier Lloyd George was considering it and even had threatened Lenine and Trotzky with it, met with denials on all sides.

A message in reply to the latest allied proposal was received at Hythe this morning, but it was entirely of a temporizing nature as regards Lloyd George's truce pro-

DOLLAR DAY

Alexandria is going to have its August dollar day sale tomorrow. This has become a fixture with the city's merchants. It was inaugurated two years ago and today is looked forward to with eagerness by the customers of the merchants throughout the city. The merchants have always placed at the disposal of their patrons on dollar day rare bargains and this time the merchants say they have more bargains than ever before for this event. Alexandrians will always find better bargains in their home stores at all times than in Washington. This is best demonstrated by the fact that the overhead expenses of the merchants are small compared to what the big stores have to contend with in larger cities and the purchaser has to pay the overhead. The wise shopper buys at home and saves money.

GOVERNOR COX ACCEPTS

Day after day Senator Harding, who juggled words over the League of Nations so that he could get the support of William Howard Taft and Hiram Johnson has been demanding that Governor Cox express himself explicity on the subject. We trust he is satisfied. We wish we could believe that the example of the Democratic candidate would encourage candor on the part of the Republican candidate.

Governor Cox has made a fine, strong, clear and comprehensible address. He promised an offensive campaign. He has begun it. There is not a particle of evasion or double-dealing or apology and weakness in his address, from beginning to end. He takes up the fight for the League of Nations, for the peace of the world, and for the honorable discharge of our obligations to mankind, in a firm and confident tone; and men holding diametrically opposing opinions will not support him as they are trying to support Senator Harding.

The address covers the whole ground of pending political questions, the railroads, capital and labor, the revision of taxation, the cost of living, child labor, Americanization of the foreign-born, the remedy of illiteracy, the promotion of agriculture and commerce. All that the Governor says will commend itself to the impartial reader by its intelligence, its sound judgment and its perfect fairness without the least appearance of evasion or juggling of words. He urges the ratification of the woman suffrage amendment and his only allusion to the Eighteenth Amendment is a pledge to enforce all laws. In view of the silence of both national platforms, and the fact that the President does not make, but enforces, laws, this expression is sufficient.

Governor Cox's address will commend him strongly to all fair and thinking persons. It is the speech of a strong, candid and broadly intelligent man. It represents the highest and best type of Americanism—an Americanism equal, not only to participation in the world war, but to participation in the world's efforts to prevent wars, and make this a better world to live in.

REPUBLICANS SCENT DANGER.

Nowhere has the disturbing effect of the Cox combination upon the calculations of Republican leaders been more clearly set forth than by the Washington correspondent of the Providence Journal. He writes:

"It is as though the Republican army was 'set' for an attack, when suddenly the Democrats have launched their offensive upon the Republican flank and in an unexpected quarter. The Republicans must quickly change front, after their plan of battle at the last minute, and in this transition risk a great advantage to the enemy."

SPIRIT OF UNREST

Typewriters and printers ink are being worked overtime just now, telling the story of the high cost of living coming down and that prices will go lower. The news is gratifying but how many consumers have noticed any difference in the bills? The value of the dollar has shrunken and it is not buying anymore or as much as it bought a year ago. Slowness of the consumer to obtain comfort from the press dispatch is causing a spirit of unrest which is sweeping over the country and there is no one who has the temerity to predict the outcome.

RICHMOND—CHAS. RAY

Almost everyone agrees that Charlie Ray is one of the most entertaining stars now before the public. When he plays the rube kid with a good heart and a shy exterior the people that don't want to see him are the exceptions.

It's another small town story, and the same man who directed all of Ray's past stuff made this also—Jerome Storm. And it's a Thomas H. Ince production.

Chas. Ray's latest will be seen tonight at the Richmond.

Beauty's Only Skin Deep

And it's Mighty Easy to Rub Off!

If women don't care for their looks, their looks won't care for themselves. Bending and breaking your back over a wash tub—scrubbing your hands red on a miserable scrubbing board—getting rheumatism from wetness—these are the things that are women rapidly.

And there's absolutely no need for any woman to spoil her charms in this manner. The easy Clean Easy Method of washing clothes cleans, purifies and sterilizes in ten minutes, without rubbing and for only a few cents per average wash.

Clean Easy is positively the most marvelous wash soap ever made. It goes right after the dirt, grease and grime itself, and cleans clothes perfectly without a bit of distasteful work on your part.

Here's all you do: Simply soak the wash over night; cut up ½ bar of Clean Easy Naptholeine Wash Soap into 4½ gallons of water. Boil. Let it dissolve and put in the clothes. Stir for 10 minutes; rinse, blue and dry. Your clothes are clean and pure—far better than if you had scrubbed for hours.

By using Clean Easy correctly (see directions on inside of wrapper) you save time and money—and, best of all, you preserve your health and brightness which many women waste over a tub. Buy your Clean Easy today. At your grocer's. Notice how different it looks from other soaps.

SPURN OFFER OF GREAT BRITAIN

(Continued from Page One)

posal. It was laid before Premier Millerand, Marshal Foch and the British delegation in the morning by M. Kameneff, emissary to England.

In the afternoon the allied conferees gave serious consideration to measures to assist Poland, and it was officially announced that if the Bolsheviki do not halt their advance on Warsaw and agree to the allied proposals within two days the blockade will be on again. The British navy is ready.

Meanwhile the Russian legions are pressing harder and harder against Warsaw. Word by way of Berlin yesterday afternoon said the outer forts of Warsaw have been under bombardment for two days. The Poles are making a gallant resistance and are returning the Russian fire. Much reliance has been placed in the Warsaw forts to impede the hitherto rapid advance of the Red forces.

Word comes, however, that all preparations had been made to moving the seat of government to evacuate the Polish capital today, Cracow.

VIRGINIA NEWS

There were 8,869 more births and 1,065 fewer deaths in Virginia the first six months of 1920 than for the corresponding period of 1919.

The Grand Encampment of the State Confederate Veterans which will meet in Culpeper on August 10, 11, 12, will be largely attended by people of this section. Many Sons of Confederate veterans will attend the encampment as efforts to amalgamate the two organizations of Veterans and Sons of Veterans will be made.

Fredericksburg—John Thomas Bowling, aged 45, a veteran of the Spanish American war, died at his home here yesterday of tuberculosis. He saw active service in the Phillippines and also in Cuba, serving three enlistments as a volunteer.

Fredericksburg—Samuel Fell, aged 41, died at the home of his parents, Mr. and Mrs. Marshal Fell, in Caroline County, from blood poisoning, caused by a carbuncle on his back. Mr. Fell was a road builder for the county. He is survived by his parents, two brothers, and three sisters.

Danville—In a sawmill boiler explosion near Houston in Halifax county, Robert O. Burton a farmer, was blown to pieces, Sandy Tucker, a negro, killed and Jack Guthrie, also colored, badly scalded. Portions of Burton's body were found 100 yards away from the plant. Tucker was decapitated.

Harrisonburg—The aching of a human conscience showed up yesterday when Elmer Hasler, of Keezletown, received through the mail from some unknown person a pocketbook and $24, which he lost four years ago.

Charlottesville—Prince Troubetskoy sculptor, down from New York to visit his wife, Amelia Rives, the authoress, sustained a bad fall and had a narrow escape from serious injury Saturday, when his horse, frightened by a passing automobile, bolted over a wire fence. Though thrown heavily, he suffered no broken bones, escaping with severe bruises and scratches.

Of Boston, Mass.

Experience is the best teacher. The New England is the oldest mutual life insurance company in the country. Chartered in 1835, it began active business in 1843; and its aim has ever been to administer its affairs wisely and conservatively, and to treat every member justly and equitably. With this long and unblemished record as a foundation, the company stands today without a peer in ability and zeal to render to every policy holder the greatest possible return for his confidence and co-operation.
